&
ASSOCIATION OF SLOVAK GEOMORPHOLOGISTS AT THE SAS, BRATISLAVA

Second Circular on the EUROCORES - TOPO-EUROPE Source & Sink Workshop

**Late Miocene Trans-Paratethys Regional Scale Evolution
of the Danube River Basin – Western Black Sea System
&
Danube Catchment Area Paleogeography and Geodynamics**

(April 9-12, 2011, Smolenice, Slovakia)

Preliminary Program

Field Excursion (April 9 – 10, 2011)

Upper Miocene and Pliocene lacustrine and alluvial sedimentary formations in the Northern Danube Basin

(precise routes with stops will be introduced in the 3rd Circular)

Saturday April 9, 2011

09:00 – 12:00 Arrival of participants to the Faculty of Natural Sciences of the Comenius University (FNS CU) in Bratislava, Mlynská dolina

Registration for both Excursion and Source & Sink Workshop at the FNS CU

12:00 – 18:00 **First excursion day** (Bratislava – Dvory nad Žitavou)

Dinner and accommodation: the Žitava Pension at Dvory nad Žitavou (<http://www.penzionzitava.sk/>)

The Žitava Pension

Sunday April 10, 2011

09:00 – 18:00 **Second excursion day** (Dvory nad Žitavou – Smolenice)

15:00 – 22:00 **Registration for Source & Sink Workshop** at the Smolenice Castle

Dinner and accommodation: the Smolenice Castle (<http://www.kcsmolenice.sav.sk/>)

The Smolenice Castle

Source & Sink Workshop (April 11 – 12, 2011)

Monday April 11, 2011

08:30 – 08:45 Opening Ceremony

08:45 – 12:30 **Key-note lectures:**

MATENCO, L.: Towards building a Trans-Paratethys integrated cross-section in the Source & Sink programme: From the Alp to the Black Sea

MANDIC, O., HARZHAUSER, M.: Neogene lake systems of Central and South-Eastern Europe

MAGYAR, I.: History of Lake Pannon: Sedimentation in the Pannonian Basin during Late Miocene and Pliocene times

SZTANÓ, O., SZAFIÁN, P., MAGYAR, I., BADA, G., UHRIN, A., HORÁNYI, A., WALLIS, R.: Late Miocene aggradational to progradational slope sequences: climate, lake-level and sand delivery to the deep basins of Lake Pannon, Hungary

Oral and poster presentations (list in the 3rd Circular)

14:00 – 18:30 **Oral and poster presentations** (list in the 3rd Circular)

18:30 Festive dinner

Tuesday April 12, 2011

08:30 – 12:30 **Key-note lectures:**

KOVÁČ, M., BARÁTH, I., FORDINÁL, K., HÓK, J., JONIAK, P., KOVÁČOVÁ, M., MAGLAY, J., MINÁR, J., NAGY, A., STANKOVIANSKY, M., SYNAK, R., TOTH, Cs.: New interpretation of the northern Danube Basin Upper Miocene and Pliocene depositional systems: impacts on lithostratigraphy of this time span

NEPPEL, F., DOMOKOS, M: A survey of the paleogeographic history of the Danube Catchment

Oral and poster presentations (list in the 3rd circular)

12:30 – 13:30 Lunch

14:00 – 15:00 **Final discussion and Closing session**

Departure of participants

Fees

Registration fee: 120 € for regular participants, 100 € for students with Bc and MSc degree. It covers a lease of lecture hall, book of abstracts, board, coffee and tea during breaks and other organization charges.

Accommodation fee at the Smolenice Castle (30 – 60 € per person per night, according to the room standard) and excursion fee (ca 70 €) will be paid at registration. The excursion fee covers transport by bus, bed and board. This sum is preliminary, the final sum will depend on the number of participants in bus.

Please, remit the registration fee by clean payment (bank transfer) to the workshop account in Slovenská sporiteľňa, a. s.:

Foreign participants:

IBAN: SK 0209 0000 0000 0630 014 482

BIC-SWIFT Code: GIBA SK BX

Slovak participants:

Account number: 0630014482

Sorting code of the bank: 0900 (together: 0630014482/0900)

Name and address of the bank: Slovenská sporiteľňa, a. s., Tomášikova 48, 832 37 Bratislava, Slovakia

Name of account: Asociácia geomorfológov pri SAV

The purpose of the payment (concerning both foreign and Slovak participants): please, specify by the acronym of the Workshop: **SourceSink and your name(s)**.

Deadline of payment of registration fee: March 31, 2011

Guidelines for submission of abstracts

Participants who will present a paper or poster are invited to send an abstract in electronic form (in file format Microsoft Word). It should comprise: title, author's name(s), contact e-mail address, text, figure(s), if necessary, and key words. The abstract should not exceed two A4 pages. Please send it by e-mail to the contact person.

Deadline of submission of abstracts: March 31, 2011

Conference outputs

Key-note lectures and other selected presentations will be published after the workshop in the journals *Geologica Carpathica* and *Geomorphologia Slovaca et Bohemica* (after proper reviewing procedure).

Organizing Committee

Miloš Stankoviansky, Jozef Minár, Michal Kováč, Zora Machová, Ján Novotný, Paul Andriessen, Liviu Matenco
